

MEETING & FUNCTION SPACE

Newpark Hotel offers the largest meeting and function spaces in the area. In total, there is nearly 6,000 square feet – all designed with the needs and wants of our attendees in mind. Main features include: natural light, operable windows and mountain views (blackout curtains too); high speed internet connections – both Wi-Fi and direct connect; HD Projectors, the latest widescreen technology; and custom manufactured banquet chairs, providing maximum comfort and function. Adjacent to the Hotel, there is a 50,000 square foot outdoor plaza and grassy amphitheater. Several neighboring facilities offer 2,000 – 25,000 square feet of additional meeting spaces.
